

Marhamchurch Food Fair 6th May 2024

This is the 7th year of our Food Fair and, again, we had fine weather and probably more people come than ever before.

We had 12 food stallholders with a variety of offerings including mushrooms, cheeses, meats, artisan breads, burgers, sausages, pickles, jams, cream teas, varieties of Jacky's cakes and Wendy's fudge all accompanied by Davvers' ciders or Violets' coffee. The Community Shop also did a roaring trade and sold 145 items of hot food comprising varieties of sausage rolls and pasties.

The music was again wonderfully provided by Finch and Aidan giving a perfect accompaniment for our day.

We make no charge to the stallholders for set up at the Fair and rely on the goodwill of their donations from their takings. In this way we raised over £500, some of which will be donated to the school for the purchase of much needed dictionaries for the children and the substantial balance will go towards the Bray renovation appeal.

Of course, none of this would have been possible without the sterling effort of many people. In particular, thanks to Angela Grills and her team in the Bray serving the cream teas and to the many who made themselves available in setting up/taking down all the stalls. Also to each of the stallholders who again entered into the event in such good spirit and have become a regular Food Fair community.

On the basis that this is an event which is so well appreciated in our village, it only remains to say Marhamchurch Food Fair 2025 is on **5th May 2025!**
