

MARHAMCHURCH METHODIST CHURCH.

We have had another very successful year with numbers attending the church services increasing.

The hall has proved very popular for meetings etc. It is used regularly by the parish council, the W I, the Art Group, 2 choirs, 3 different yoga instructors and the occasional workshop.

There is a board games afternoon held free of charge on the 3rd Monday of each month for anyone wanting some company and tea and biscuits. Everyone is welcome.

We look forward to another year of being part of the lovely community of Marhamchurch village life.
