

## ST MARWENNE'S MARHAMCHURCH REPORTS 2022

### Marhamchurch Revel Field Trust

This is a popular community facility providing a multi-use open grassed area and a hard-play area. It also has a designated area for Marhamchurch Playpark which is maintained by Marhamchurch Parish Council. The Marhamchurch Pre-School leases a corner of the field for its accommodation and out-door space, which provides some income towards the maintenance costs of the field. The Marhamchurch Revel took place which normally provides some significant income support for the Revel Field but an appeal prompted a positive response from the Parish Council, Marhamchurch Food Fair and a generous wellwisher all of whom recognised the significance of the field to the community. The Trustees are the current Vicar and Churchwardens of St Marwenne's Church
